To Whom it May Concern:

Please accept this Letter of Reference for Van Hoose Construction. Van Hoose built our newest BancFirst facility on time and under budget and allowed us the most efficient facility in our group of banks. Mr. Van Hoose was very knowledgeable in all areas of the construction and especially in the Geo Thermal arena. Mr. Van Hoose is a leading expert in Geo Thermal design and implementation.

Van Hoose Construction has vast experience in bank construction, and in fact, we plan to build a smaller banking facility later this year and have already chosen Van Hoose Construction and we are going to install Geo Thermal as well.

I have the utmost respect and trust in Van Hoose Construction and wholeheartedly recommend them as quality builders both now and in the future.

Regards,

Mark Lisle
President
BancFirst Edmond
